New England Congressional Delegation:

The Greater Boston Federal Executive Board (@BostonFEB,) in cooperation with the Moakley family, is pleased to announce that we are seeking nominations for the 15th annual Congressman John Joseph Moakley Award for Exemplary Public Service. Presented annually, this award recognizes amazing achievements among headquarters, district or committee staff, of any level, regardless of party affiliation, of the New England Congressional delegation, in the name of longtime Massachusetts Congressman Joe Moakley.

Nominations are due by close of business on March 11, 2016 via email to kim.ainsworth@gsa.gov

The criterion is simple yet sets high standards. Nominees “should demonstrate commitment to their constituents and innovative methods of serving their community and the nation.” This award is not political in nature but rather focuses on nominees’ service to constituents, relationships with federal agencies and the public. *(See opposite side for complete criterion and full recipient list.)*

Nominations, in form of a letter, may be submitted by colleagues, constituents, or self, however, each must be approved by the Member prior to submission.

Don’t miss this opportunity to nominate your talent for this prestigious award. A panel of federal executive from across New England, and the Moakley family, will select the recipient(s) in early spring. We will then work with you to determine the best manner in which to formally present the award.

Thank you for your consideration. Please contact me if you have any questions.

Sincerely,

Kimberly E. Ainsworth
Executive Director
